This affinity group is to connect, support, and empower parents, caregivers, and guardians who identify as Asian and Asian American and Pacific Islander (AAPI) in the context of education and school partnership to support our children.

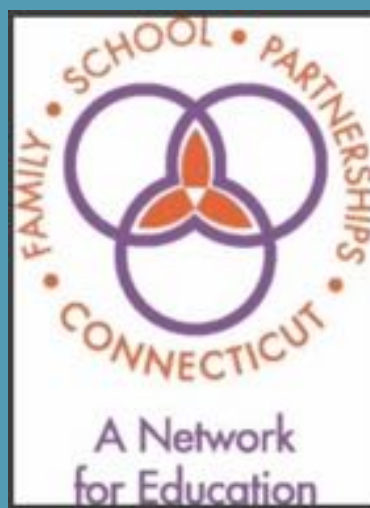

This session will explore how our identities as Asian and AAPI parents may impact our interactions with educators and schools.

For content questions, please contact Nitza Diaz, SERC Consultant, at diaz@ctserc.org.

For registration questions, please contact Emma Velasquez, SERC Project Specialist, at velasquez@ctserc.org.
